

### **Lucky Star Makes Her First Call**

On 28th Dec 2005, a plaque presentation ceremony was held for Lucky Star's first call at SCC.

P(SCC) exchanged plaques with the master of Lucky Star, Captain William Cooper. The ceremony was attended by representatives from the charterer, Everis Capital Holdings, the local port agent, V Ships Asia Pacific and Singapore Cruise Centre. The captain conducted a ship's tour for the invitees after the ceremony.

Lucky Star will be home-porting at SCC and has booked her schedule up to March 2006. Her other base port is at Tg Pengelih, Malaysia. The ship was formerly sailing in the Mediterranean under Olympia Cruises and known as MV Odysseus. She was then bought over by Mantovana Holdings Ltd and chartered to Everis Capital Holdings for cruises out of Singapore.
